

Project 2 - Google Ads

The screenshot shows the Google Ads interface. The top navigation bar includes 'Search', 'Ads Advisor' (BETA), 'Appearance', 'Refresh', 'Help', 'Notifications', and account information '890-750-2623 Digital Marketing' and 'princemundiya@gmail.com'. A red banner at the top left states 'Balance exhausted - Your balance is either exhausted or nearly exhausted. To ensure that your ads keep running, make a payment to add money to your account.' with 'Dismiss' and 'Fix it' buttons. The main area displays 'Campaigns' with a timeline from '30 Oct - 4 Nov 2025'. The sidebar on the left is titled 'Campaigns' and lists 'Ad groups', 'Ads', 'Experiments', and 'Campaign groups'. The bottom of the screen features standard navigation icons: Search, Segment, Columns, Reports, Download, Expand, More, and a back arrow.

The screenshot shows the 'Choose your objective' step in Google Ads. A red banner at the top left states 'Balance exhausted - Your balance is either exhausted or nearly exhausted. To ensure that your ads keep running, make a payment to add money to your account.' with 'Dismiss' and 'Fix it' buttons. Below the banner, the heading 'What's your campaign objective?' is displayed. The main content area is titled 'Choose your objective' and contains the following options:

- Sales**: Drive sales online, in app, by phone or in store.
- Leads**: Get leads and other conversions by encouraging customers to take action.
- Website traffic**: Get the right people to visit your website.
- App promotion**: Get more installs, engagement and pre-registration for your app.
- Awareness and consideration**: Reach a broad audience and build interest in your products or brand.
- Local shop visits and promotions**: Drive visits to local shops, including restaurants and dealerships.
- Create a campaign without guidance**: You'll choose a campaign next.

Bidding
What do you want to focus on? [?](#)
 [?](#)
 Set a target cost per action (optional)

Alternative bid strategies like portfolios are available in settings after you create your campaign

Customer acquisition
 Bid for new customers only
Your campaign will be limited to only new customers, regardless of your bid strategy
By default, your campaign bids equally for new and existing customers. However, you can configure your customer acquisition settings to optimise for acquiring new customers. [Learn more about customer acquisition](#)

Campaign settings

To reach the right people, start by defining key settings for your campaign

Networks

Google search partners network (recommended)

Ads can appear near Google search results and on other [Google search partners](#) websites when people search for terms that are relevant to your keywords. Search partners can include hundreds of non-Google websites, parked domains, as well as YouTube and other Google Sites.

Google Display Network (recommended)

Ads can appear on relevant sites, videos, and apps across Google (like YouTube) and the Internet when you have leftover Search budget

EU political ads

Does your campaign have European Union political ads?

Required

Yes, this campaign has EU political ads

No, this campaign doesn't have EU political ads

EU regulation requires Google to ask this question

[Learn how an EU political ad is defined](#)

I don't plan to use this account to run EU political ads
 The same selection will be applied to all new and existing campaigns. You can change this for any campaign at any time.

Audience segments

Select audience segments to add to your campaign. You can create new Your data segments by clicking on **+ New segment** in the Search tab. [②](#)

| Search | Browse | | 5 selected | Clear all |
|--------|---|---|--|---------------------------|
| | Who they are (Detailed demographics) | > | Detailed demographics | |
| | What their interests and habits are (Affinity) | > | Marital Status Married | |
| | What they're actively researching or planning (In-market) | > | Education Current University Students | |
| | How they've interacted with your business (Your data segments) | > | Education > Highest Level of Educational Attainment Advanced Degree | |
| | Your combined audience segments (Combined segments) | > | Education > Highest Level of Educational Attainment Bachelor's Degree | |
| | | | Employment > Industry Education Sector | |

Targeting setting for this campaign [②](#)

Targeting

Narrow the reach of your campaign to the selected segments, with the option to adjust the bids

Observation (recommended)

Don't narrow the reach of your campaign, with the option to adjust the bids on the selected segments

AI Max for search campaigns

Get the best AI powered performance on Google Search

Advertisers that activate AI Max in search campaigns will typically see 14% more conversions or conversion value at a similar CPA/ROAS

-  Engage more customers and boost performance. Easily expand your keywords with broad match technology and let Google AI match content from your data feed, landing pages and assets to help you show up on more relevant searches. New ad group settings help you guide which customers you reach.
-  Tailor your ads and keep them fresh by using a data feed. You choose which items from your feed that you'd like to show ads for and use to reach additional users. Use Google AI to serve the most relevant ad content and landing pages to each customer based on their unique interest and intent.
-  Take charge and understand how the newest and best Google AI is working for you. You'll get new actionable insights in search term reports that show how AI Max improves performance.

What makes your products or services unique?

Describe the product or service to advertise (required)* —

I provide a step-by-step digital marketing roadmap to help businesses achieve success online. My blog offers practical guidance on various digital marketing strategies, including SEO, social media, content marketing, email marketing, and paid advertising. I aim to empower startups, entrepreneurs, and small businesses to thrive in the digital landscape by providing actionable insights and up-to-date information on the latest trends.

Brands

Use brand settings to ensure that your campaign meets your branded traffic needs. You can add up to 20 brand lists across your brand inclusions and exclusions. [Learn more about brand settings](#)

Brand inclusions

Your ads will only show on searches that match your keywords and mention selected brands, including related products and services. Brand inclusions will limit search traffic, so apply only necessary brands.

 Add brand lists

Brand exclusions

Your ads won't show on searches that mention selected brands or related products and services. If you exclude and include the same brand, only the exclusion will work.

 Add brand lists

X New account-level brand list

Brand lists let you choose whether your ads show on searches that mention specific brands
